# Awning Connector

## Key Features:

- Enables connection between two RVs
- Gutter system funnels water away
- Zips allow easy installation

## Description:

The Oztent awning connector is a new innovation from Oztent designers. It allows you to zip two Oztents together, awning to awning. This is beneficial when touring with family as it allows you to have two separate rooms (one for the kids) with a large undercover area in between.

# Awning Connector

## Specifications:
