OZTENT®

TENT COMPARISON MATRIX

EYRE SERIES

The Oztent Eyre is the perfect first step into the Oztent range. The Eyre is perfect for those couples who camp casually, are after a lighter option and don’t want to spend big. With 2 great setup sizes, the Eyre range boasts the signature Oztent 30 second setup and comes with a fly.

Every Oztent Eyre is guaranteed waterproof when used with the supplied fly. They are also covered by a full 2-year warranty and come with side, rear and roof windows and a zippered power inlet.

1–2 MAN TENTS

Oztent is traditionally known for larger style tents. However, with more and more people wanting smaller shelters we took the experience we had in large tents and shrunk it down to accommodate for the growing audience.

Not only will you find quality but also innovation in our 1-2 man tent range. Enjoy an incredible sleep in a Bunker or try out the innovation packed RS-1 Swag.
