

MALAMOO RAPID HUB BEACH SHELTER—FOUR HUB MODEL

SET-UP INSTRUCTIONS

Step One: Remove Shelter from carry bag. Undo securing tie and spread out the Shelter.

Step Two: Push out all three sides and the roof. Push the Hub while firmly holding the outer parts of the frame.

Step Three: Ensure Shelter is securely anchored to the ground. Use all supplied tent pegs/stakes, guy ropes and sand bags to minimise the risk of your shelter blowing away.
