RV-5

Key Features:

- Sets up in less than 30 seconds
- Patented design
- 100% waterproof material guaranteed
- Sleeps 5
- Most popular model

Description:

In 2006, we listened to customer feedback calling for an even larger tent – and delivered it with the Oztent RV-5. Now a bona fide best seller, it takes the RV-4 design basics but goes wider and deeper, whilst still packing down to a handy 200cm/79” length in the bag. Plenty of room for 5 people. Still sets up in under 30 seconds. Awesome.

RV-5

Features	
YKK Zips on Main Entry	YKK zips are known globally as the highest quality zippers. YKK make over half of the zippers used worldwide and we use them for our main entry way
Awning Stiffener	Built into the awning, the stiffener allows one person to pack away the awning easily.
Power Inlet	Get power inside your tent without exposing you to the elements with our handy power inlet located on the 'A' side of every tent.
Internal Side Windows	No need to leave your tent to open your window in the morning. Our side windows open and close from the inside for convenience.
Attached Awning	Our awning is always attached. No need for installation, just undo the straps and roll it out.
