FOXWING®

180° Awning

Key Features:

- ★ One-piece, easy swing-out awning
- ★ UPF50+
- ★ 180° Coverage
- ★ Great option for those towing camper trailers or caravans
- ★ Zipped edges on all sides for accessories

Description:

Unique due to its simple 1-person operation, the Foxwing 180° Awning can be set up and packed down in minutes. It's the perfect option for those towing large vehicles. All claw-spigoted telescopic poles, mounting brackets, reflective guy ropes and pegs are included and come with their own travel bag for neat storage that can be kept attached in the main bag or removed and stored separately with an easy clip-in/clip-out system.

The Foxwing 180° Awning features a continuous external skirt to provide greater weatherproofing once accessories are attached, as well as integrated lighting loops on the underside of the awning.

180° Awning

FEATURES	
Easily Attach to Most Roof Racks	The Foxwing 180° Awning easily attaches to most roof rack cross bars, and mounting kits can be sourced for other roof racks.
Modularity	Zip a brand new Foxwing Tagalong directly to your Foxwing 270° Awning for instant extra space. With the use of an Awning Connector, you can even zip your favourite Oztent RV to the awning.
ModCan Material	We have developed this new material for Global Markets. ModCan is rated to CPAI-84 flame resistant specifications, completely waterproof, UV resistant and incredibly strong. This also means that the Foxwing 270° Awning is UPF50+, waterproof and mould resistant.
