DATA SHEET
VERSION 1

FOXWING AWNING BRACKETS

Attach and adjust your FOXWING to different racks – it's simple and easy.

This multipurpose bracket ensures that your FOXWING can be attached to the most popular vehicle racks and trays.

With height adjusting capability, you can lift or lower your awning height to your needs.

The brackets are made from a high-quality powder coated steel and come with channel bolts for most platforms.

Note: Fit bracket this way upright to have higher position of your awning

Note: Fit bracket this way down to lower height of your awning

FEATURES AND BENEFITS

- Height Adjustment - Adjust the brackets to get the awning clearance you want.
- Complete Solution - A universal fitting kit containing everything required for any FOXWING awning.
- Works with Leading Racks - Designed to connect your FOXWING to most types of racks, trays and platforms available.
- Designed and Developed in Australia - Ensures superior quality, reliability, safety and performance, trialled and tested in the harshest conditions.

3 YEAR WARRANTY*
