OZTENT SIDE TABLE

- INSTALLATION INSTRUCTIONS -

1. Remove from packaging
2. Place mounting bracket on either the left or right front leg
3. Place as high as possible on the non-moving part of the leg
4. Angle the mounting bracket at 45 degrees facing out from the chair

5. Hand tighten the screws
6. Adjust the angle of the mounting bracket so you can still close the chair without hindrance
7. Place table into the bracket and check that its movement is not obstructed by the chair arm when swung around
8. Tighten the screws

NOTES

- Table must be removed when packing up chair
- Mounting bracket can stay attached to chair once fitted
- Maximum weight on the table is 5 KG
- Undo orange lever to adjust position.
