- Packs flat
- 110kg (242lb) weight rating

Description:

Once you've set up camp and started the fire, it is time to sit back, grab a cold drink and put your feet up.
The Sidekick ticks all the boxes – it can be used as a fishing stool, a footrest, a small table or even somewhere to put your portable fridge. The Oztent Sidekick can achieve all this through a clever transforming design. The hard side-flap folds out of the way for use as a stool or footrest, or can be secured to the top of the Sidekick to convert it into a stable surface to place your fridge or other camping gear.
